

**Come inside the worlds largest IBM machine at
www.jomarcorp.com/ibm175.mpg**

Find out for yourself why "**with Jomar - LESS is MORE**"

- **LESS** floor space per machine means **MORE** return on your investment.
- **LESS** energy through the use of the vertical plastifier means **MORE** money saved on power
- **LESS** maintenance yields **MORE** up-time which means **MORE** profits

Meet Jomar in Dusseldorf, Germany October 24th to 31st 2007 and see for yourself why Jomar are the #1 machine of choice for Injection Blow Moulding worldwide.
